

OCCHC/SteppingUP collaborated with OneOC for their annual "Day of Service"

The event had an excellent turnout of volunteers from various organizations in the community. The Palm Village Apartments, one of the 225 affordable housing units owned and managed by OCCHC, received a much needed makeover with freshly painted garage doors, a newly painted pool fence and fresh landscape wood chips.

"It's always a rewarding experience giving back to the community."

- Sean G., Volunteer & Buena Park resident

Martin Luther King Jr. Day of Service is a national day of service that is implemented as a "day on, not a day off". This calls for Americans from all walks of life to come together and help resolve some of the nation's most pressing issues. The event followed the spirit of the national holiday by boosting the morale of local residents and also marked a great step towards the beautification of affordable housing units.

Thank you to all of the amazing volunteers!
